Multiple Campuses, One University

South East Technological University (SETU) has merged campuses in Waterford, Carlow, Wexford, Wicklow and Kilkenny to create a brand new Technological University that will serve more than 18,000 learners, and employ more than 2,000 staff.

With our excellent facilities we are creating an environment which is welcoming and transformative for local and international students of all ages and backgrounds, as well as staff, researchers and partners.

We look forward to welcoming you, your students and staff to SETU.
